Learn. Evolve. Lead.

With a history dating back over 26 years, SBCS has established a reputation for delivering globally recognised, industry-relevant University, Technical and Professional education, in a variety of modalities, using world-class teaching staff and facilities. This innovative and dynamic multi-campus tertiary level teaching and learning institution is designed to facilitate the transformation and development of our students into learners.

From the unique architecture, to the use of vibrant colours, to the continuous upgrade and maintenance of our labs, libraries and academic support services; SBCS has created a stimulating and comfortable eco-system conducive to producing graduates who can continually learn, evolve and lead.

An exciting portfolio of industry-relevant programmes; high quality teaching and learning environments; student-centered approach to Education – SBCS, a great place to learn.
