REPORT OF THE AUDITOR GENERAL OF THE REPUBLIC OF TRINIDAD AND TOBAGO ON THE FINANCIAL STATEMENTS OF THE ACCREDITATION COUNCIL OF TRINIDAD AND TOBAGO FOR FIFTEEN AND A HALF MONTHS ENDED SEPTEMBER 30, 2005

The accompanying Financial Statements of the Accreditation Council of Trinidad and Tobago for fifteen and a half months ended September 30, 2005 have been audited. The Statements comprise a Balance Sheet as at September 30, 2005, an Income Statement, a Statement of Changes in Accumulated Fund and a Statement of Cash Flows for the fifteen and a half months ended September 30, 2005, Significant Accounting Policies, Notes numbered 1 to 8 and Schedule 1 to the Financial Statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

2. The management of the Accreditation Council of Trinidad and Tobago is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

AUDITOR'S RESPONSIBILITY

3. The Auditor General's responsibility is to express an opinion on these Financial Statements based on the audit. The audit was carried out in accordance with section 116 of the Constitution of the Republic of Trinidad and Tobago and Section 22(1) of the Accreditation Council of Trinidad and Tobago Act, Chapter 39:06 (the Act). The audit was conducted in accordance with auditing standards which require that ethical requirements be complied with and that the audit be planned and performed to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

5. It is my view that the audit evidence obtained is sufficient and appropriate to provide a basis for the opinion expressed at paragraph 6.

OPINION

6. In my opinion, the Financial Statements present fairly, in all material respects, the financial position of the the Accreditation Council of Trinidad and Tobago as at September 30, 2005 and its financial performance and its cash flows for fifteen and a half months ended September 30, 2005 in accordance with International Financial Reporting Standards.
